Note: In GBFSP, dogs must be leashed in all parking areas and in farm and pond areas.

*Note, the TOTAL distance shown is the combined lengths of the trails shown. Walking all the trails will require some doubling back of some trail sections, so whatever route you take, the total distance will be longer.

For more complete maps and a description of the trails and the lands that Walk #26 traverses, see pages 36 & 37 of the the 2018 Edition of Trails in Carlisle, the ideal reference for the Carlisle Community Trails Day Challenge. The trails book is available for purchase for $10 at Town Hall or $15 at Ferns.
